

PIERPONT

COMMUNITY & TECHNICAL COLLEGE™

See yourself there

You are **here**.

Where's your "**there**"? It's wherever you imagine you'd like to be. As one of the state's largest community colleges, Pierpont specializes in preparing you in two years or less for the kind of work you really want to do. Don't limit your dreams. **See yourself there.**

Pierpont will take you **there**.

Neisha Bridges
Fairmont, W.Va.

My name is Neisha Bridges and I'm a fashion design graduate. They were very accommodating, and the program is just fabulous and you learn so much from all the teachers. I came back to college seeking an education to further my career, but I found that I had a true passion with starting my own company.

We'll take you **there**
