Elective		3
		17 Credits

*Students not meeting the prerequisite requirements for these courses may need to take remediation courses. This can be determined by taking the Compass placement testing for English and Math and/or your scores on the ACT/SAT. The score on these tests will determine which remedial courses you need to take.

**MATH 1100, MATH 1107 or higher may be substituted for MATH 1106

Suggested electives: CHEM 1102/1106

PTA Program candidates may take HLCA 1104 Physics for Health Careers
