Shipping weight.....31 lbs.

\*Model MFR-3 for refrigerator/freezer only

### Custom engineered for safety and convenience

**MicroFridge® with Safe Plug™ technology** never draws more than 10 amps. With this patented, current limiting circuitry, only one dedicated circuit is required for the combination appliance.

**True zero-degree freezer** provides long-term food storage for ice cream and other frozen foods.

**Recessed, scoop handles** and rounded door design provides a sleek streamlined appearance to complement any décor.

**Full-width wire shelves** for easy cleaning.

**Door design** allows for upright storage of 2-liter bottles to minimize leaks and spills.

**Reversible doors** for flexibility in any installation.

**Mounting brackets** provide secure attachment of microwave to refrigerator/freezer.

**Microwave detaches** for custom installations and for servicing.
