## Perkins IV Title II: Tech Prep Education

Tech prep programs are described in the legislation as a “program of study” that combines a minimum of two years of secondary education with a minimum of two years of postsecondary education in a non-duplicative, sequential course of study. Tech prep programs integrate academic, career, and technical education; utilize work-based learning experiences; provide technical preparation in high-skill, high-wage, and high-demand occupations; use applied, contextualized, or integrated instruction; lead to a technical skill proficiency, an industry-recognized credential, certificate, or degree; and lead to placement in high-skill or high-wage employment or further education. **Indicate how support of Tech Prep students/programming is addressed in the proposed activity by checking one or more boxes below:**

\_\_\_\_\_ **Supports effective transitions** between secondary and postsecondary career and technical education programs; SEI # 1, 2, 4 & 5

\_\_\_\_\_ Provides in-service **professional development** for teachers, faculty, and administrators addressing **state, national, industry certification & licensure**; SEI # 3

\_\_\_\_\_ Enhances career pathway **guidance and academic counseling** for participating students; SEI # 1, 2 & 4

\_\_\_\_\_ addresses the number of students **requiring remedial mathematics, writing, or reading courses upon entering postsecondary education**. SEI #5
