Entrepreneurship

Effective October 2025

Description

Have you ever wanted to start your own business, but just didn't know where to start? Let's turn dreams into a business plan in six weeks with our intensive Entrepreneurship Certificate Program! In just six focused evening sessions, you'll transform your business idea into a complete, actionable plan while building invaluable connections with local business leaders, mentors, and fellow entrepreneurs. Whether you're looking to escape the 9-to-5, create additional income streams, or finally pursue that passion project, the Entrepreneurship Certificate program provides your dream business with the foundation needed to get started in the small business market. This program will help you evaluate your business ideas through market research, draft a thorough business plan, establish a network of supporters and resources, and build the practical skills to turn your entrepreneurial dreams into a marketable business proposal.

Location

Pierpont's Advanced Technology Center (500 Galliher Dr. Fairmont, WV 26554)
