Graduate and First Professional Credit Headcount and Full-Time Equivalent Enrollment, Public Institutions, Fall 2002.....	22

Location of West Virginia Institutions of Higher Education

DEFINITIONS AND NOTES

DEFINITIONS

Community College Student-A student enrolled at a stand-alone community college (Eastern WV Community and Technical College, Potomac State College of WVU, Southern WV Community and Technical College, WV Northern Community College, or WVU at Parkersburg) or at the community college component of a four-year institution.

Credit Headcount Enrollment-A physical count of students enrolled in one or more courses for credit.

First-Professional Student-A student enrolled in a program leading to the first professional degree in Dentistry (D.D.S.), Law (J.D.), Medicine (D.O. or M.D.), or Pharmacy (Pharm.D.).

Full-Time Equivalent (FTE) Student-A statistic derived from the student credit hour output of an institution.

A. Undergraduate FTE: the equivalent number of students derived by dividing by 15 the total undergraduate student credit hours produced per semester in foundation, lower-level, and upper-level courses.

B. First Professional FTE: the equivalent number of students derived by dividing by 15 the total first professional student credit hours produced per semester in first professional courses (Law and Pharmacy only).

C. Graduate FTE: the equivalent number of students derived by dividing by 12 the total graduate student credit hours produced per semester in graduate courses.

D. Medical FTE: the same as the headcount enrollment (Dentistry and Medicine only).

Graduate Level Student-A student enrolled in a master's or doctoral degree program other than the first professional degree programs in Dentistry, Law, Medicine, and Pharmacy.

In-State Student-For West Virginia public institutions, a student who is paying in-state fees, excluding those involved in an SREB Common Market, Reciprocity, or Metro program; for West Virginia independent institutions, a student who lists West Virginia as the permanent address prior to enrolling in the institution.

Lower-Level Student-An undergraduate enrolled in a postsecondary career-technical, certificate, diploma, or associate degree program, in a two-year college transfer program, or in a four-year or five-year bachelor's degree program who has not completed the sophomore year.

Out-of-State Student-For West Virginia public institutions, a student who is paying out-of-state fees or who is involved in an SREB Common Market, Reciprocity, or Metro program; for West Virginia independent institutions, a student who does not list West Virginia as the permanent address prior to enrollment in the institution.

Part-Time Student-A student enrolled for credits equal to fewer than 75 percent of the normal full-time load. For most undergraduates this would mean fewer than 12 semester hours.

Unclassified Student-A student who cannot be classified by level. Many unclassified students are permitted to take a limited or special selection of degree-credit courses without regard to requirements for a degree.

Undergraduate Student-A student who has not yet obtained a bachelor's degree.

Upper-Level Student-An undergraduate enrolled in a bachelor's degree program who has completed the sophomore year.

NOTES

Marshall University and Marshall University Graduate College began reporting combined enrollment data in Fall 1998. For the purpose of calculating percentage changes in Marshall University enrollment, they are treated as being a single institution for all time periods reported.
