14	She wasn't available most of the time, and did not show up for our scheduled appointment. This was here last semester however.	Jun 17, 2007 3:34 AM

8. Do you believe that you were properly advised by your major advisor?

If not, why not?		
15	i did not know who my advisor was to speak with. i have never spoken to an advisor	Jun 19, 2007 5:24 PM
16	I have not met with my major advisor because I took all of me classes at the Caperton Center in Clarksburg and my advisor was only on main campus. I did not find the help that I received from the Caperton Center helpful. Advisors there put me in two classes I do not need for my major.	Jul 3, 2007 10:29 PM
17	i went to his office and he told me he wasnt my advisor obviously he lied because registrar office told me that he was but whatever the history department is a bunch of sexist pigs	Jul 17, 2007 10:23 PM

1	Make sure that when an upcoming freshman is registering for classes, that they know what is in store for them. For example, making sure they know what kind of jobs they are able to get with their major etc. Have more workshops about student organizations, and how to get involved with them, such as, fraternities, sororities, SGA, and other clubs. My freshman year, I was disappointed that it took so long to get my suitemate list. I think if this year housing could try to get them to people sooner so that they can start to bond with their roommate or suitemates. Other than those small things I am looking forward to returning to Fairmont.	Jun 7, 2007 3:47 PM
2	I think that Fairmont State should have a freshman stay over before they begin classes, so that the freshman know what to expect from college and how to survive at college.	Jun 7, 2007 4:25 PM
3	give more background about the necessary background for the classes, so the students feel more prepared and can better choose the level that they want to begin at. (science classes especially)	Jun 7, 2007 6:05 PM
4	Offer meal plans better suited to the changing plans of a college student. When performing damage assesment for the dorm rooms, do it prior to the student leaving so that they have proof that the damage claims are valid.	Jun 7, 2007 6:11 PM
5	Improve the food in the Cafeteria!!	Jun 7, 2007 7:40 PM
6	During Early Registration/Orientation, please extend the amount of time for the scheduling section. An hour was not sufficient. I would recommend an hour and a half.	Jun 7, 2007 8:27 PM
7	I thought that the finical aid office did a very poor job with processing my loan information. They messed up and I did not recieve my loan till the second semester. The school needs to work on letting students know about there account situations, and less attitude by some employees that answer the phones. They tend to act like they have more important things to do and we are being an inconvenience. It's there job.	Jun 7, 2007 9:34 PM
8	I was very satisfied with my experience.	Jun 7, 2007 11:04 PM
9	I would suggest more activities so that the freshmen could get to know each other more quickly.	Jun 8, 2007 1:43 AM

10	The only thing that really bothered me was that the "20 feet no smoking" rule in front of the buildings was not enforced. I don't mind if they smoke, but being partially asthmatic, I'd rather not inhale it on my way in and out of places. So, enforcing the no smoking in front of buildings rule would have made it significantly better.	Jun 8, 2007 2:05 AM
11	I had a great experience and wouldn't change a thing!	Jun 8, 2007 2:08 AM
12	encourage more students to become involved in activities and interacting with others	Jun 8, 2007 2:34 AM
13	give out a hand-out of all campus organizations with which we may become involved	Jun 8, 2007 2:40 AM
14	The yard in front of the rec center was not complete last fall. In the spring when it was done it looked great.	Jun 8, 2007 2:45 AM
15	If Fairmonst could have done anything different I would have to say that I wish the university had a day care. I have a two year old son and it is difficult for me to leave him in Clarksburg, while I am in Fairmont. But overall my freshman year went good and I am looking forward to returning in the fall. 16	Have stronger rules restricting noise in the dorms and library. This is why I am trying to find an appartment. I couldn't use the study rooms at the library or my dorm room because of the noise.	Jun 8, 2007 8:10 PM
17	The couseors and those who schedule classes at the Caperton Center Branch in Clarksburg were not very clear on the courses that are necessary for my major. I would like to have a list of required courses and understand what I need to take.	Jun 8, 2007 8:22 PM
18	the ONLY PROBLEM i dealt with at fairmont state was PARKING!!!!...i drive from morgantown every day and i have to leave my house about 2 hours before class to drive for an hour to find a parking place...the parking garage is nice but there is still nowhere to park!!!	Jun 8, 2007 9:31 PM
19	Get highly qualified professors. Upgrade the engineering material. Provide more opportunities for students to research in the technology field.	Jun 8, 2007 10:14 PM
20	Be more helpful and available to help when trying to pick the major to go into. Like myself I'm really wanting to go into education and I tried to get advise from the advisor for education and she was very cold and not very helpful. So I have learned I have to just do it on my own.	Jun 8, 2007 10:29 PM
21	The program is very well put together.	Jun 9, 2007 2:25 AM
22	Give a few more days for students to live on campus, to explore and get use to living on their own for a couple extra days before classes actually start.	Jun 9, 2007 11:15 PM
23	1.Not charge to print copies when you already pay an outrageous tuition for school 2. More convenient parking	Jun 10, 2007 7:42 AM
24	i found my freshman year to be perfect and i can't think of anything that i would recommend changing.	Jun 10, 2007 6:00 PM
25	Add rules/exceptions to the attendance policies for Commuter students, especially in the winter months. It would be very easy to make a list for teachers of their commuter students and their county. All of which could be voluntary to participate in by students (for privacy issues). Then if students living in those counties or having to drive through those counties were under "Winter Weather Warnings/Advisory" or even the "Don't drive on the roads if at all possible" warning is in effect commuter students won't have to worry about risking their life to make it to class or loosing half a grade letter for missing the one class.	Jun 11, 2007 2:14 AM

27	Parking... both the availability of spaces and which areas are designated staff parking versus student parking. Also since there is so much construction going on anyways maybe it's a good idea to do something about all the vandalism in the library tunnel and parking garage. I can tell you that spending millions on construction and then having a potential student with his/her parents see that really makes FSU look bad. Seriously, a \$5 bucket of paint and a brush and just paint the whole tunnel. I'm sure there's bigger fish to fry but it really detracts from an otherwise nice looking campus. Thanks.	Jun 11, 2007 4:43 PM
28	Strongly suggest fixing the housing situation. The dooms specially. Also create more activities to attend and have more concerts	Jun 11, 2007 9:22 PM
29	i loved it	Jun 11, 2007 11:00 PM
30	Have Lacross As an Intermural Sport or add it tothe athletics program !	Jun 12, 2007 1:14 AM
31	try to get the important "need to know" information to all students with them having to go and ask someone.	Jun 13, 2007 1:52 PM
32	Better/Healthier food in the Cafeteria	Jun 17, 2007 7:05 AM
33	i would like to see better hours for dinner because playing a sport makes it hard when it closes so early.	Jun 18, 2007 1:57 AM
34	Fairmont state should offer something for students to try different feilds of study. Give students more info. about all feilds of study!	Jun 18, 2007 11:39 PM
35	Allow students to take a few classes that deal with their majors during their freshman year	Jun 18, 2007 11:43 PM
36	I was able to take all my classes my freshman year online. This was very beneficial to me. I wish more classes would be offered this way.	Jun 19, 2007 12:43 PM
37	help me figure out who my advisor was	Jun 19, 2007 5:24 PM
38	I would require that all students attend an orientation day. I skipped out on orientation because I was too busy and I wasnt planning on attending the main campus, but I really regret it now because some of my classes are going to be on main campus.	Jul 3, 2007 10:29 PM
39	nothing i enjoyed my freshman year.	Jul 12, 2007 12:24 PM

41	make financial aid and loan informantion easier to understand	Jul 17, 2007 10:23 PM
42	Nothing that I can think of.	Jul 19, 2007 8:24 PM
43	The availability of classes offered at Pierpont is convenient because I live in Lewis County. However, I am a Graphics/Fine Arts major, and the majority of the classes required in my major are not offered at Pierpont. I suggest that a survey pertaining to what classes are needed by Pierpont students be available to better accommodate the students' needs and help eliminate cancelled classes due to a lack of enrollment and, therefore, lost tuitions for the school.	Jul 20, 2007 10:03 PM
44	Make sure the student is well informed of what is going on. When i arived to schedual classes, i had no idea what was going on. I didn't know the name of my major, or what exact classes i needed to take. It caused problems.	Jul 25, 2007 4:14 AM
45	Living on campus was the worst experience for me, not only did i feel like i was in prison but the dorms were dirty and horrible to live in. The admissions building also seemed very unorganized. to get one question answered you had to go to twenty different offices and even then ever person would give you a different answer. i could go on about subjects I disliked about this school but instead, i just transferred to another school. 46	Expain why competitive programs such as medical programs don't make clear giudelines on what it takes to be accepted. My references were not even contacted and the teacher/advisor of the Resp. Care program was not helpful in clearing things up although I made a special appointment with her to get answeres to these questions. I feel I've been given the royal "run-around" and that the only interest Fairmont State has in me is my money.	Aug 20, 2007 9:44 PM
