2	Somewhat. If I don't receive a loan, I couldn't afford to come back.	May 4, 2012 10:34 AM
3	But there was a small problem getting enough aid to go to summer classes. I like going year round, but when i signed up for summer classes this year I was told that, I assume the state, wasn't giving as much aid for summer classes anymore. Other than that, there have been no other problems.	May 4, 2012 10:18 AM

2	Never met my assigned adviser.	May 2, 2012 9:16 PM
3	My advisor was not very well informed on the type of chemistry classes I would be needing in the fall.	May 2, 2012 4:53 PM
4	I only decided to take this survey at the chance i could address this issue I've had getting any advising assistance. I have not properly been advised by my major advisor. First semester upon request to meet Dr. Hinton by myself he insisted i need only to e-mail him mock schedules for his approval. Dr. Hinton sent me the appropriate catalog to look at and pick classes. After minimal information i received my pin number in an e-mail. Near registration for Fall 2012 i requested a meeting again i was told to check the Sports Management catalog and send him what i thought. i e-mailed Dr. Hinton a number of proposed classes i was thinking of and multiple questions about my major and any classes he would suggest. In response i received a short e-mail with my pin number and one question answered. Maybe I'm in the wrong thinking I'm supposed to be provided with a little more, i don't know. I'd appreciate if someone could clear that up with me because all over the website it's said you must meet with your advisor before scheduling. As a freshman just entering college i am unfamiliar with a lot and thought i was going to be able to figure it all out with help from an advisor, which unless I'm confused is exactly what they are there for.? So, unless that's all they are there for, i am interested in getting a new advisor if possible.	May 2, 2012 1:11 PM

6	When I talked with my advisor in Fall 2011 to prepare for Spring 2012 classes, he didn't answer any of my questions and just kept rambling. I asked him what classes I should take and he just started talking about his life. I had to go to someone else to help me.	Apr 30, 2012 7:53 PM
7	She seemed like she didnt have any idea on what I needed to take for my GenEd classes or for what math I needed next. I had to do my own research about classes to figure out what I needed to take.	Apr 30, 2012 4:37 PM
8	I have not met with them yet but i will soon. I was undecided my freshmen year.	Apr 30, 2012 3:38 PM
9	I didn't have an advisor for my specific major. I had the Honors director to help me schedule classes.	Apr 30, 2012 9:34 AM
10	did not see him, just talked over the phone briefly	Apr 23, 2012 7:08 PM
11	My advisor, Tony Morris, sends out all our pin numbers in an email which to me is very unprofessional. When I have had meetings with him he was short and rushed me out the door. I felt lost when trying to schedule.	Apr 23, 2012 4:31 PM
12	My advisor, Tony Morris, was extremely unprofessional. He sent all premed major pin numbers in an excel document, which means I could see others pins and they could see mine. The two times i met with him, he seemed rushed and the first time he even told me to "make it quick" he only had 15 mins. I was	Apr 23, 2012 4:10 PM

appalled, and surprised since i had heard good things about him from the medical school counselor i am dealing with. However, I was disappointed with his professionalism.

13	I wasn't allowed to change my major because of my grade.	Apr 23, 2012 2:59 PM
14	He told me to quit Student Organizations including SGA, and was very little help about my minor.	Apr 23, 2012 1:56 PM

49	Write essays and study more.	Apr 23, 2012 1:33 PM
50	I am better able to write a research paper, and do more homework efficiently. I am also able to juggle work and school, along with other responsibilities.	Apr 23, 2012 12:17 PM

**Page 2, Q2. What would you suggest to improve your experiences at Freshman Orientation and / or Welcome Weekend?**

1	Make things/events more available to those not living on campus.	May 7, 2012 8:57 AM
2	Having the counselors act like we are at college, not Summer camp, and treat us like peers instead of 5 year olds. Not making events so early either, some people have a hard time falling asleep in new places, and if you get them up at 8 in the morning, they probably had very little sleep.	May 7, 2012 5:24 AM
3	More getting to know your peers.	May 6, 2012 4:55 PM
4	make sure you dont miss any classes	May 5, 2012 12:23 PM
5	None.	May 4, 2012 7:11 PM
6	The Freshman Orientation really had nothing to improve that I can remember. One thing possibly would be better schedule advising.	May 4, 2012 7:03 PM
7	Make students get out there no one really made me get out there and meet people. Such as get the RA's to knock on everybody's door get them involved.	May 4, 2012 1:46 PM
8	Freshman orientation was great but I was unable to attend welcome weekend due to working 40hrs a week.	May 4, 2012 12:58 PM
9	I didn't get to go to either of these because i didn't know that they existed or when they were. I really wished that I had got to go to them though. If I had known about them I would have went.	May 4, 2012 10:22 AM
10	I enrolled late and did not get Orientation or Welcome Weekend.	May 4, 2012 7:56 AM
11	scheduling was pretty confusing so I wish I was helped out more with that.	May 3, 2012 1:04 PM
12	I would say to improve the activities so that people might actually want to attend and don't try and make everything mandatory.	May 2, 2012 5:21 PM
13	I did not attend either.	May 2, 2012 4:57 PM
14	nothing! I thought it was very informative and helpful.	May 2, 2012 3:06 PM
15	Better assistance scheduling.	May 2, 2012 1:17 PM
16	Everything was great! I wouldn't suggest anything!	May 2, 2012 12:01 PM
17	nothing	May 1, 2012 10:47 PM
18	Nothing	Apr 30, 2012 7:56 PM
19	Give students the option to participate in events.	Apr 30, 2012 6:25 PM
20	Make sure the Honors students are where they are supposed to be. I sat for over an hour in a room where no one knew what to do with me until finally someone sent me to the right place. I was late getting honors classes because of it.	Apr 30, 2012 5:38 PM
21	welcome weekend is fun because there is things to but but after that every weekend is boring here.	Apr 30, 2012 4:38 PM

**Page 2, Q2. What would you suggest to improve your experiences at Freshman Orientation and / or Welcome Weekend?**

22	i would suggest the advisor's be apart of the weekend and orientation, plus the teachers	Apr 30, 2012 3:47 PM
23	Orientation and Welcome Weekend were great as they were.	Apr 30, 2012 3:43 PM
24	They need to have more students or advisers helping the large crowd of parents and students that need help in filling out their FAFSA.	Apr 30, 2012 3:42 PM
25	Yhere is no continuation of either program...	Apr 30, 2012 2:52 PM
26	I didn't attend either event	Apr 30, 2012 2:47 PM
27	I would suggest having a major ready so I can look at the classes I have to take and see if I want to change my mind.	Apr 30, 2012 2:20 PM
28	Nothing! The team/teachers were great!	Apr 30, 2012 10:54 AM
29	I like how it is	Apr 30, 2012 10:40 AM
30	More chances to view dorms, classrooms, etc.	Apr 30, 2012 10:18 AM
31	DON'T WAKE THEM UP BY "STORMING THE DORMS" ITS ANNOYING. Especially it being so early every day.	Apr 30, 2012 10:17 AM
32	I wouldn't change anything, I really enjoyed it.	Apr 30, 2012 10:01 AM
33	Make more people attend so they aren't so boring. Require freshmen to attend in order to get something at the end of events.	Apr 30, 2012 9:40 AM
34	Make sure everyone knows what you are talking about.	Apr 30, 2012 9:37 AM
35	More tours maybe, I felt lost and scared at first.	Apr 30, 2012 9:01 AM
36	No suggestions	Apr 30, 2012 12:10 AM
37	Less talking. It was literally boring enough to cause me to skip the latter two days. Rather, allow students to move between booths or workshops to find what interests them. Have clubs, organizations, whatnot, "sell" their club. Explain the imperatives in one day, then leave the remainder for adjustment, integration, and symbiosis.	Apr 23, 2012 8:09 PM
38	letters need to be mailed out in a more advanced way. I did not get to pick my classes until June 2011 and a lot of general classes were unavailable. I was not told my advisor could override and I could get that class.	Apr 23, 2012 7:18 PM
39	Explain how to schedule classes! It was overwhelming and they just assumed I knew how to do it!	Apr 23, 2012 6:40 PM
40	I think Freshman Orientation was very organized and wouldn't recommend any changes.	Apr 23, 2012 6:30 PM
41	Didn't atted Welcome Weekend.	Apr 23, 2012 6:01 PM

**Page 2, Q2. What would you suggest to improve your experiences at Freshman Orientation and / or Welcome Weekend?**

42	I wish more people would have participated. The lack of participation made things a lot less fun and awkward.	Apr 23, 2012 4:41 PM
43	N/A	Apr 23, 2012 4:06 PM
44	Nothing	Apr 23, 2012 3:01 PM
45	Let them know more of what classes will be like, what they will need for classes, and the sever difference in teachers.	Apr 23, 2012 1:58 PM
46	Nothing	Apr 23, 2012 1:33 PM
47	Freshman Orientation, and Welcome Weekend were fun overall. However, there were little activities such as the name paper necklaces that I felt were too immature for collgege students to be doing. Other activities such as name games and things were fun, but also "kiddie games."	Apr 23, 2012 12:17 PM
48	Don't drag it out too much. Let the kids just go out onto campus and explore it themselves. All of those activities can be kind of overwhelming.	Apr 23, 2012 11:41 AM
49	More help with selecting classes at freshman orientation.	Apr 23, 2012 11:36 AM
50	Orientation: keep people more focused on the presentations.	Apr 23, 2012 11:35 AM
51	my orientation was really informative and everybody was really helpful	Apr 23, 2012 11:20 AM
52	I wouldn't change anything.	Apr 23, 2012 11:01 AM
53	Not be woken up by an air horn going through the hall.	Apr 23, 2012 10:28 AM
54	Don't have events so early in the morning.	Apr 23, 2012 10:16 AM
55	The activities were not very interesting, therefore I did not feel the need to wake up and go listen to someone lecture me at nine o'clock in the morning.	Apr 23, 2012 10:12 AM
56	Have a better representation of the university (orientation). You make it seem like some dream world, and then it's just school. Disappointing.	Apr 23, 2012 10:02 AM
57	Need More Help scheduling class	Apr 23, 2012 9:38 AM
58	A little better academic advising would help a lot. Better ways to determine what major to study. I had a hard time figuring out what career field I wanted to study.	Apr 23, 2012 9:38 AM
59	Make it shorter.	Apr 23, 2012 9:32 AM

**Page 2, Q3. If Fairmont State / Pierpont could do one specific thing to improve the quality of your freshman year experience, what would you suggest we do?**

1	Not be so strict on visitation rules, this is a campus, not a prison.	May 7, 2012 5:24 AM
2	Cut the cost at the book store. 250% mark up in some cases is ridiculous.	May 6, 2012 4:55 PM
3	i think they have done a good job for all of us	May 5, 2012 12:23 PM
4	None.	May 4, 2012 7:11 PM
5	I would think one improvement would be focus on helping students schedule a little more. I was unclear at the beginning of the fall 2011 semester on what exactly I needed to take. Also, explain how to work the campus website in a little more detail to new freshmen. Though I didn't have a problem with it granted I work with websites and computer programming, a lot of other students found it to be tedious and confusing.	May 4, 2012 7:03 PM
6	Show students how to use the computer for online classes. The teachers also need to be better educated with communication with online classes.	May 4, 2012 5:45 PM
7	Get me involved in things. Tell me about all the clubs and such.	May 4, 2012 1:46 PM
8	open more student positions	May 4, 2012 12:58 PM
9	Make sure teachers respond to e-mails and whatnot.	May 4, 2012 10:25 AM
10	Send more info about freshman orientation and welcome weekend.	May 4, 2012 10:22 AM
11	I'm allergic to cigarette smoke, it would be nice to be able to walk in a building without having to walk thru it.	May 4, 2012 7:56 AM
12	Nothing at all. I love Fairmont State, the campus, and all of my classes.	May 3, 2012 1:04 PM
13	Allow the freshmen who commute to become more involved with on-campus events. I do not always check my web mail, and even when I do, there is always an event that I wish I could have attended that is past the date. Also, no one ever told me that the health services are free, or that the Falcon Center has Zumba classes.	May 2, 2012 4:57 PM
14	Hold advisors accountable for their responsibilities and/or give a seminar type thing to educate new students how and what credits, hours, majors, minors, concentrations, and different degrees are.	May 2, 2012 1:17 PM
15	let us choose where we want to live and if we want a meal plan or not.	May 1, 2012 10:47 PM
16	Please, let visitors spend the night on the week nights. It's hard having a boyfriend that lives far away and he can't see me when he's available during the week.	Apr 30, 2012 7:56 PM
17	Make the food at the Cafe better, and Dorm life better.	Apr 30, 2012 6:25 PM
18	Explain things the administration are taking for granted that students should know. Such as paying bills or buying/selling books. Maybe offer a booklet or something to help with that .	Apr 30, 2012 5:38 PM

**Page 2, Q3. If Fairmont State / Pierpont could do one specific thing to improve the quality of your freshman year experience, what would you suggest we do?**

19	have more freshman events.	Apr 30, 2012 4:38 PM
20	offer more campus clubs to all students and pushing them	Apr 30, 2012 3:47 PM
21	Nothing i like it the way it is.	Apr 30, 2012 3:42 PM
22	Get a clue as to what is going on I. The dorms and try to handle the Outrageously obnoxious and in many cases dangerous residents.	Apr 30, 2012 2:52 PM
23	The different departments I have had to speak to have caused some confusion, because it seems that the answers and explanations you get depend on whoever answers the phone. It is never consistent, and I'm never sure who is right or wrong. I think there needs to be more consistency.	Apr 30, 2012 2:47 PM
24	Give more information about how certain classes are taught.	Apr 30, 2012 2:20 PM
25	Nothing! I love FSU/Pierpont!	Apr 30, 2012 10:54 AM
26	Improve the dorm life	Apr 30, 2012 10:18 AM
27	Make a better effort to stop harassment in dorms. Get rid of the convicts that do custodial work in the dorms, they're beyond creepy and stare at me all the time.	Apr 30, 2012 10:17 AM
28	Send emails to remind students when it's time to schedule.	Apr 30, 2012 10:01 AM
29	Make the old dorms as safe as the new ones. I did not feel safe in my dorm. My room and car got vandalized and nothing was done about it because there were no cameras outside. I haven't felt safe since then.	Apr 30, 2012 9:40 AM
30	Don't make things difficult.	Apr 30, 2012 9:37 AM
31	Oh, I dont know	Apr 30, 2012 9:01 AM
32	no suggestions	Apr 30, 2012 12:10 AM
33	let them know or have a handout of all the things they are privileged to do. I was not really aware of all the activities in the Falcon Center until I went in to get a bite at the nickel just this semester.	Apr 23, 2012 7:18 PM
34	Lower the cost of food!	Apr 23, 2012 6:40 PM
35	My only concern was with some of my professors. I had a few that I did not think taught as well as they could and would have switched to another professor if I could have. Other than a few poor professors I loved my experience as a freshman at Fairmont State.	Apr 23, 2012 6:30 PM
36	I think the scariest thing for me freshman year was trying to schedule my classes. I felt like I was on my own while trying to figure out what to take and that made the whole thing a lot more stressful. The advising here is not the best. From my experience as well as many people I have talked to the advisors are very unprofessional.	Apr 23, 2012 4:41 PM
37	Keep a closer eye on the faculty. I feel as though many professor in the biology	Apr 23, 2012 4:13 PM

	department and the math department only teach the bare minimum, they don't care if you understand or not. If the professor is having to curve 30+ points for his students to pass, there is a problem with the way that professor is teaching.	
38	N/A	Apr 23, 2012 4:06 PM
39	remodel Prichard Hall, allow incoming freshman to live in College Park	Apr 23, 2012 3:01 PM
40	Easier access to advisors. Have them know more about other studies and there own in some cases	Apr 23, 2012 1:58 PM
41	I think it is great as is.	Apr 23, 2012 1:33 PM
42	My freshamn experience overall we fun. I had some trouble makeing friends, and feel that that's the hardest part of being a freshman. I made friends with my roommate, but outside of class and my dormroom, I had a hard time making freinds. I'm not sure how, but if the school could find more activities to improve building freindships (that wasn't something that is lame) then i would be interested.	Apr 23, 2012 12:17 PM
43	Can't think of anything	Apr 23, 2012 11:36 AM
44	Guide Freshmen through the year better, possibly through a bi-monthly or monthly e-mail.	Apr 23, 2012 11:35 AM
45	I think that the experience that i've had my first year was very positive and rewarding!!!	Apr 23, 2012 11:20 AM
46	Manage time better	Apr 23, 2012 11:07 AM
47	I felt like I was left in the dark about a lot of things. My advisor placed me in the second biology class without the first one, and I didn't know anything about the classes. It was too hard because I hadn't had the first one, and I could never find my advisor to talk to her about it. I dropped the class and received a W on my transcript, and I also changed my major because of it. I also had other issues throughout the year, and it seemed like anyone I talked to never knew the answer. I was pushed from person to person and could never get a straight answer for any of my questions or concerns. I'm sure I'm not the only one on campus that has had this problem, so I think this definitely needs to be taken care of.	Apr 23, 2012 11:01 AM
48	My main concern this year was the community bathrooms, and my concern did not fail me. I like that the washer locks when it is in use, but the dryer does not. More than once, when I put clothes in the dryer then take a shower or step out of the room, my clothes have been taken out of the dryer or stolen. This has been a problem not only for me, but for the other girls on my floor as well. Another issue with the community bathrooms is that I find it unacceptable for male janitors to clean the girls' restroom. We are all busy in the morning with showers, getting ready, using the bathroom, and brushing our teeth. I was extremely appalled when I could not use the restroom in the morning to brush my teeth and other such necessities of the restroom due to the fact that there were male janitors in there. If there were one thing that made me want to leave Fairmont, it would be	Apr 23, 2012 10:28 AM

**Page 2, Q3. If Fairmont State / Pierpont could do one specific thing to improve the quality of your freshman year experience, what would you suggest we do?**

that.

49	Have more events for students on the weekends, something that people will actually want to stay here for.	Apr 23, 2012 10:16 AM
50	Make the dorms up to living standards	Apr 23, 2012 10:14 AM
51	The bathrooms in Prichard Hall are disgusting, I would not recommend anyone to live here because of that. Besides the dorm, my freshman year was very nice.	Apr 23, 2012 10:12 AM
52	nothing	Apr 23, 2012 9:38 AM
53	Get rid of the MYLABS PLUS! Awful resource! DID NOT find it helpful...more of a pain!	Apr 23, 2012 9:38 AM
54	Make the computers in the library faster. It is pathetic how slow they are. And just because I'm not taking summer classes I lose my gym membership? That's just stupid because I'm feeding this institution with cash out of my pocket and I can't even use the gym. Thanks.	Apr 23, 2012 9:32 AM
