**2. Are you planning to return to FSU / PC&TC in the fall?**

**If not, why not? (please specify)**

1	I am starting the radiologic technology program at WVUH this July.	May 6, 2009 1:55 PM
---	--	---------------------

## 2. Are you planning to return to FSU / PC&TC in the fall?

### If not, why not? (please specify)

2	Im seriously having trouble paying my rent and car payment while trying to stay in school at the same time. The food stamp services make it worse by saying i can not recieve them unless i work 20+ hours a week, which really inhibits my studies. I think high school students are seriously mislead into believing college can be free, the fasfa just is not enough Any other financial aid oppertunities I could get would help out tremendously.	May 6, 2009 5:11 PM
3	There is a slight possibility I will be transferring to Shepherd University. Not because my first-year experience was bad, but because I've been in Fairmont my whole life and need a change of scene. Still unsure.	May 11, 2009 6:39 PM
4	Transferring to WVU. Not a fan of FSU's engineering program.	May 17, 2009 6:55 PM

## 3. Is there a family or financial situation that is inhibiting you from returning to

### Please explain:

1	I loan my parents money there's certainly no help from them	May 6, 2009 5:11 PM
2	I'm concerned about the living environment. Its hard to work support a family and to have school. I think that having room and board for single parents would be nice. I can understand that it may not be safe for children to be on campus. but i'd be nice if the university had a program to aid in this situation.	May 7, 2009 12:22 AM
3	My fathers plant that he worked in shut down.	May 11, 2009 6:14 PM
4	but this place is crazy expensive	May 11, 2009 9:57 PM
5	I don't think so--as long as I still have the Promise and hopefully the WV Higher Education grant too.	May 12, 2009 3:26 AM
6	But it would be really nice to get one scholarship from the school since I was on the dean's list and ill probably be getting at least a 3.4 this semester.	May 12, 2009 5:44 AM
7	I am hoping to recieve financial aid!!	May 13, 2009 5:17 PM
8	I work during the day and the classes I need are held during my work hours	May 13, 2009 10:36 PM

10	I have the PROMISE. I probably would have stayed and changed my major had I been able to pay for a dorm. But according to the government my parents are supposed to help me with that...	May 17, 2009 6:55 PM

## 8. Do you believe that you were properly advised by your major advisor?

### If not, why not?

1	I haven't even talked to her (Gwendolyn Jones) this semester because she wouldn't respond to any phone calls, visits, or e-mails. I actually talked to another advisor who helped me out and told me to return with any more questions.	May 6, 2009 1:05 PM
2	She took forever to reply to my e-mails and sometimes wouldn't even reply. She was not very helpful at all.	May 6, 2009 1:55 PM
3	Theodore Larue helped me with my schedule for fall and I am very happy with it.	May 6, 2009 2:29 PM
4	Because i didnot have a major advisor untill signing up for classes for next fall.	May 6, 2009 6:56 PM

## 8. Do you believe that you were properly advised by your major advisor?

If not, why not?		
5	I was not assigned a major advisor until the end of the 2nd semester of classes. I was pretty much winging it by myself.	May 6, 2009 8:20 PM
6	I dont feel like i was advised at all during my fist year at school in any way. i chose the wrong classes several times and am now graduating a semester late because of a lack of knowledge on my advisor's part.	May 6, 2009 9:42 PM
7	My first major advisor did absolutely nothing to help me, even when I went in and asked for help. My second major advisor has been great.	May 7, 2009 1:16 AM
8	I felt like there wasn't enough communication or advice given. I picked my class myself without my advisor's assistance.	May 7, 2009 10:03 PM
9	I have not yet met with the nursing advisor	May 8, 2009 9:12 PM
10	My major advisor is always busy and when I was able to find a time to be advised, I was not properly assisted in knowing what classes I need.	May 11, 2009 5:21 PM
11	I was put in classes that I was clearly not qualified for.	May 11, 2009 5:51 PM
12	Several issues arose over my schedule not exactly matching the model schedule. Changed my major due to these issues.	May 11, 2009 9:44 PM
13	He was rude	May 12, 2009 2:34 PM
14	i rarely met with my advisor	May 12, 2009 4:45 PM
15	My advisor did nothing for me he wouldn't take the time out of his schedule to help me figure out what classes I needed. It took me almost a month just to obtain my pin from him. I actually went to another professor that I had for a psych class and she helped me schedule.	May 12, 2009 6:13 PM
16	IN the middle of the year my previous advisor left the country. While he was my advisor however, I didn't feel like he was very helpful. He never wanted to meet with me.	May 13, 2009 1:45 PM
17	I originally expressed interest in the Civil Engineering Degree program. I was placed in Liberal Arts with no explanation (such as I didn't have the prerequisites, what they were and what I needed to do to obtain them.) I eventually made an appointment with James Vassil and got some direction, explaining to him that I needed to take some basic classes and classes that I could take in the evening and I was hoping to take classes for the degree starting in Fall 2009. I am pretty sure I discussed with him the 2+2 program and thought I was on track for that, but that does not now appear to be the case. He sent me 2 similar emails to meet and update things, I replied to both, but received no further reply from Mr. Vassil. I am now considering Safety Engineering, but I need to find out if I can re-arrange my work schedule.	May 13, 2009 10:36 PM
18	I e-mailed my advisor, and he refused to answer me. I have never even met him.	May 14, 2009 6:54 PM

1	I have loved this year. The only problem I have had is with the advisor situation. Thank you.	May 6, 2009 1:05 PM
2	Make students more aware of the December scholarship deadline. I missed out on the opportunity to apply because neither I nor my high school counselors knew about the early deadline.	May 6, 2009 2:05 PM

3	I would like to suggest: need something fun for deaf students who attended this FSU/PCTC because theres few deaf students came. Im one of them. I dont really have any activities because interpreter would not come and interpreter for any events or whatever.. and more.	May 6, 2009 2:10 PM
4	I am very satisfied with my experience at FSU so far. My only complaint involves my American Government class. Most days we just watch videos, which is very disappointing. Its an easy A, but I have learned zip.  Thank you.	May 6, 2009 2:29 PM
5	I would suggest fixing blackboard vista. It seems to have some bugs in it.	May 6, 2009 2:59 PM
6	Excellent first year!	May 6, 2009 4:41 PM
7	I believe this year was really good except for being in a hotel at the beginning of the year. If at all possible in the future I would not recomend doing this ever again.	May 6, 2009 4:56 PM
8	I really enjoyed my first year college experience especially the library. not sure if id change anything	May 6, 2009 5:11 PM
9	I would like for the dorms (especially Byrant Place) to stop holding fire drills in the middle of the night. It has happened about 12-15 times so far this year.	May 6, 2009 6:10 PM
10	GET A BETTER FOOD SERVICE! I OFTEN COULD NOT STAND TO EAT THE FOOD, SO I WOULD GET SICK WHEN I DID GET SOME REAL FOOD! PLEASE LOOK FOR A BETTER FOOD SERVICE! THE FOOD IS OFTEN TASTELESS, HARD WHEN IT SHOULD NOT BE, SOFT WHEN IT SHOULD NOT BE, and IS SIMPLY POOR QUALITY!	May 6, 2009 6:44 PM
11	Stop buying fucking squirres, that was the most retarded thing thes school could have done. Use that money for something useful like healthy food in the cafeteria, or start paying your computer science/ security majors for doing work that they should be getting paid for.	May 6, 2009 6:56 PM
12	I would suggest that FSU and PC&TC's advisors be more in contact with their students because my advisor was real open with me and discussing how important certain things that I was doing would benefit me in the long run.	May 6, 2009 7:23 PM
13	have more trips for people who aren't in Outdoor Adventure Club	May 6, 2009 8:11 PM
14	become more organized. i'm not a chronic complainer, but it took housing two months to move me out of my first semester room after one complaint after another complaint when there was an open room already in my dorm. other than that, it went pretty good, but i think you need to stress about the tutoring services more and actually show the kids where to go for that, because i'm still puzzled about it.	May 6, 2009 8:20 PM
15	make the advisors more knowledgable about the major they are focusing on	May 6, 2009 9:42 PM
16	I would suggest for Fairmont State to built more dorms. It is always a hassel when school starts for freshmen and they have to worry about if they are going to have to live in a hotel or not. I also believe not requiring sophmores to stay on campus could help this matter too. I would also like to suggest that this institution should have a dead week before finals. I have had tests in all classes the week before finals, which isn't really fair to the us students that teachers are cramming stuff at the last minute.	May 6, 2009 11:19 PM
17	Bring back the gamerooms!!!!	May 7, 2009 12:22 AM
18	Nothing really. Opportunities were provided throughout my freshman year experience and it was a pretty good year. You learn and experience many things about the classes and social life that comes with college.	May 7, 2009 12:53 AM
19	Fairmont State could offer child care for under the age of 3. That way I wouldn't have to worry about if I was coming back or not next year, I would know that I could stay in school and take care of my child.	May 7, 2009 1:16 AM

20	As an international student, I need an international advisor that will be attendant to my needs. As of today, May 07, I have not heard back from Mrs. Geneva Hines after I have e-mailed her repeatedly since spring break. I went to her office, but she never seems to be there. I also left a couple of phone messages, but she never called me back. As an international student I need someone who will not avoid my phone calls and e-mails, mainly because the funds I need for tuition and living are transferred from abroad, so if she does not answer my questions I cannot estimate and organize my financial issues. Moreover, I had to take a CLEP exam in the Fall 2008 semester, when I came to her for help she did not help at all, and I had to count on the generous help from professors like Dr. Baker and Dr. Noone. I am a 4.0 student who takes her education very seriously, and pay precious money to attend this institution. Luckily, for me I have the help of my fiancé and my professors but not all international students are so lucky. Something needs to be done. There are many qualified graduates of the university that are looking for work in the area. I am sure any of them will be more motivated to help bring Fairmont State University to a higher international level, than Mrs. Geneva Hines.	May 7, 2009 11:50 AM
21	There wasn't too many problems I had this year.	May 7, 2009 2:08 PM
22	Allow our meal plans to work at the Nickle and other stores instead of giving us Flex dollars. I have used all my flex dollars and still have a ton of meals left and the money that is left on my card for my meals, is just going to waste.	May 7, 2009 9:19 PM
23	Stop charging us for stupid stuff, PLEASE PLEASE PLEASE PUT SECURITY CAMERA'S IN THE BYANT PLACE!! The fire alarms make me want to drop out. Those are biggest complaints. Also, let us have to-go boxes for our food in the cafe to take back to room to finish what we didn't eat. That would be nice	May 7, 2009 10:03 PM
24	Regulate behavior in the dorms better.	May 8, 2009 6:45 PM
25	My experience was fine.	May 11, 2009 5:51 PM
26	Make cafeteria hours longer.	May 11, 2009 6:37 PM
27	Honestly, I'm not hard to please. The class room environment suited my needs. I enjoyed the sizes of my classes and the Honors Program (more specifically Dr. Baker) was incredibly helpful and generous with my every concern and question.	May 11, 2009 6:39 PM
28	The dorms and food.	May 11, 2009 7:27 PM
29	Give more information about fiancial aid that is available other than Pell grant, and loan money.	May 11, 2009 9:44 PM
30	more parking .... less tickets... its ridiculous plus charging people for stupid things in the dorms is dumb and selfish the school isnt very organized either. before i started i was told i was to be living in pence, i got a letter that said i was not going to be in pence i was going to be in the red roof in. my mom, dad and i waited in line at the red roof in for 3 hours to be told that i was to be living in prichard. i didnt have anything prepared for a dorm so i then i had to go to walmart and but things for my room such as bed supplies. its ridiculous.	May 11, 2009 9:57 PM

36	FSU could have provided more parking. Many times I have went to school and struggled to find a parking spot and most of the time it was followed by a 10-15 minute walk. I ended up having to leave my house atleast an hour before my class started in order to find any parking.	May 12, 2009 6:13 PM
37	Get rid of all the loop holes you all have in registering, every time there is a problem with registrar or financial aid hardly anyone can answer your questions or they send you on this wild ride when it could of been easily fixed without all the hassle. And no one seems to like to return calls if you leave messages to be contacted back. That can be a real turn off for a new student I made it through it all but I wouldnt do it again.	May 12, 2009 6:36 PM
38	I think that the professors and staff need to care about more what the student does, how their grade is and how often they attend class. I have noticed that not many professors care who is in class or anything just that they are getting their money!!	May 12, 2009 8:35 PM
39	I can't think of one!	May 13, 2009 5:17 PM
40	Only one class that requires resume writing.	May 13, 2009 10:36 PM
41	most every other college allows people to stay in the dorms on weeknights, i suggest fairmont allows that.	May 14, 2009 2:48 AM
42	Crack down on dorm rules. It is so hard to get sleep when there are drunk people in the hall at 3 a.m.!	May 14, 2009 6:54 PM
43	Put the ciabattas hotdogs out of business and put a student ran culinary professional kitchen in that area. This would be adequate for the students to taste fine cuisine good food and it can be a class so the food prices can be cheaper because you would have free help. Think about it.	May 15, 2009 9:26 AM
44	Have students take General Elective Courses first, then go into major-related courses their Sophomore year.	May 17, 2009 6:55 PM
45	Make the dorms more user-friendly and easier to organize. Roommates are currently too hard to change or establish.	May 24, 2009 12:30 PM
