| 12 | I seem to be having a lot of trouble filling something out according to Felix. I log on and it tells me there are unresolved issues, but when I have completed the "counseling" sessions, it still says I have not. The last time I went to the Financial Aid office my experience was extremely unsatisfactory. Although I am unsure how to resolve my problems I do need to and would appreciate their help if they would not be so flippant about them. | Apr 18, 2011 2:18 PM |
| 13 | Everyone has been great, if I ever have any questions all I have to do is ask. My freshman experience was great, I thought it would be so hard for me since I had been out of school for over 23 years, but the experience has been wonderful, I am doing great in all of my classes and I look forward to my continuing years at FSU & PCTC. | Apr 18, 2011 1:33 PM |

40	take on more challenging tasks and be more responsible	Apr 18, 2011 5:36 PM

43	Concentrate on reading and writing and have learned how to study again.	Apr 18, 2011 1:35 PM

Page 2, Q3. If Fairmont State/Pierpont C&TC could do one specific thing to improve the quality of your freshman year experience, what would you suggest we do?

1	Utilize normal students that already go here. Don't try to push new students to buddy up with freshman counselors who have to act nice to them for the money but are (in general) unhelpful and rude. Also inform freshmen about all out-of-class opportunities they have, especially clubs and organizations that aren't just Student Government or one of the bigger ones, as well as groups such as band that they can get credit for. In all, freshmen aren't as stupid as you think. They can think for themselves for the most part and make their own decisions. If they're going to drop out, they will. Administration can't stop them. However, those students who excel need to be recognized more for their efforts both in class and out.	May 18, 2011 6:15 PM
2	I did not have any problems. I believe that you did everything that was needed.	May 10, 2011 4:11 PM
3	I suggest that you build more college park apartments	May 10, 2011 9:33 AM

Page 2, Q3. If Fairmont State/Pierpont C&TC could do one specific thing to improve the quality of your freshman year experience, what would you suggest we do?

4	help out more with telling freshman how to schedule their classes	May 9, 2011 10:56 AM
5	I think that it would be good if the students had the opportunity to do an evaluation on the classes that they drop in case there is good reasons for them dropping the class.	May 5, 2011 2:47 PM
6	More freshman outreach programs to help them learn how to join a club and be more active with their school	May 3, 2011 9:08 PM
7	Spend more time helping student schedule in freshman orientation and less time giving speeches	May 2, 2011 10:35 PM
8	They could have activites involving clubs organized earlier in the day. They could also provide more parking spaces and clearify parking hours. They could have more dining on campus options.	Apr 28, 2011 11:41 PM
9	Make more classes available in preston county.	Apr 28, 2011 9:00 PM
10	I would like more classes available at my local high school of an evening and I would like more help with math.	Apr 28, 2011 12:50 AM
11	Nothing	Apr 27, 2011 10:35 PM
12	Teach Financial Aid how to organize and straighten up their act. I have had MANY issues with them. One particular issue being documents I bring to them turn up missing and they bother my parents and myself saying we didn't turn it in. In fact, recently they "lost" a copy of my parents tax return so all of the members of my family's social security numbers are out for anyone to snatch up!	Apr 27, 2011 8:39 PM
13	It went very well, but the major problem was working and going to school	Apr 27, 2011 8:07 PM
14	Making sure advisors get back to their students if they are contacted for help or advice.	Apr 27, 2011 7:02 PM
15	fire Dr. Wainstock. Savchuck, Kelly and Brake.	Apr 27, 2011 6:01 PM
16	They could maybe make more of an effort to ensure freshman understand what i available to them. Maybe meetings, scheduled throughout the year, for students would help.	Apr 27, 2011 6:00 PM
17	The councelors at freshmam orientation were utterly unhelpful. They had no idea how to help me or what classes to recommend I take. I think you should have more, better qualified people helping with scheduling during orientation and save some freshmen the confusion I went through.	Apr 27, 2011 5:18 PM
18	Make some more stuff availbe at the Caperton Center such as being able to get books from there all year round and stuff like that.	Apr 27, 2011 4:28 PM

Page 2, Q3. If Fairmont State/Pierpont C&TC could do one specific thing to improve the quality of your freshman year experience, what would you suggest we do?

19	Be more helpful with registering and advising. I even came to the orientation and did not get much help there either.	Apr 27, 2011 2:32 PM
20	Just increase student activities and programs. They were very helpful	Apr 27, 2011 1:44 PM
21	Advise me more on my classes	Apr 27, 2011 1:24 PM
22	Cancel all classes when the roads are icy and/or when the outside temperature is too low, and add more space to the parking garage aisles if possible	Apr 27, 2011 1:15 PM
23	I think FSU and Pierpont should do more freshman-oriented activities and more things to get the students to interact and make friends.	Apr 27, 2011 10:59 AM
24	Nothing in particular. This year went by fairly well and I was able to get all of the help I needed. My only issue with FSU would have to be that there were times when I would send an email to Student Services and it was as if they didn't even take the time to read it before they responded. This got to be frustrating at times but every institution is going to have flaws.	Apr 27, 2011 10:42 AM
25	I would suggest getting nicer staff in the Student Service Center. There were a couple times that one or two of them were just rude.	Apr 27, 2011 10:35 AM
26	Introduce Blackboard prior to day 1 of class, so that students are able to print syllabus and have what they need to be ready to go on day 1.	Apr 27, 2011 9:52 AM
27	Put more lights in the Caperton Center parking area that sits across the street from the front of the building!!	Apr 27, 2011 9:10 AM
28	Make the Student Services office more responsive when replying to emails and appeals. Also informing them that their offices name is Student Services. In doing this you could make it feel as though you actually want students to stay and are not only interested in their money.	Apr 27, 2011 8:54 AM
29	The school needs more on campus activities and needs to get students interested in them.	Apr 27, 2011 8:35 AM
30	nothing	Apr 23, 2011 12:10 AM
31	n/a	Apr 21, 2011 12:45 PM
32	Have documents explaining and giving directions on areas like computer labs. I think it would be good to survey freshmen and ask them about any problems they had, such as not knowing were things were located such as computer labs, and then compile it all into a pamphlet of some kind to give to future freshmen.	Apr 20, 2011 2:47 PM

Page 2, Q3. If Fairmont State/Pierpont C&TC could do one specific thing to improve the quality of your freshman year experience, what would you suggest we do?

33	Personally, I think they should have a better system of alerting us to when classes or events are canceled. I rarely ever check my email or blackboard.	Apr 19, 2011 8:54 AM
34	1. Get rid of the two-week freeze period for room-swaps. 2. Remove the required meal plan from housing, or create meal plans for those of us that can't eat them without puking.	Apr 18, 2011 6:40 PM
35	I was properly advised for classes, however, I had a lot of questions that remained unanswered in advising for my 4 year degree. More information on the electives for a 4 year degree would be helpful. Also, cafeteria food could be better.	Apr 18, 2011 6:12 PM
36	Lunch and the hours of the Falcon Center because there isn't much that we can do on campus !	Apr 18, 2011 3:03 PM
37	I think classes should be more involved. Many classes were basically taught on blackboard which I feel is a waste since I'm paying to go to college.	Apr 18, 2011 2:23 PM
38	NOTHING, My freshman year was fantastic and I am looking forward to my remaining years at Fairmont.	Apr 18, 2011 1:35 PM
39	Not raise the costs to attend.	Apr 18, 2011 11:05 AM
40	I have no complaints about what the college could do better, it's all on my part.	Apr 18, 2011 10:55 AM
41	Have student family housing.	Apr 18, 2011 9:10 AM
