In keeping with a desire to provide student enrichment programs in global awareness and diversity, Pierpont Community and Technical College may occasionally approve students enrolled in a formal degree program the opportunity to study abroad. Student may receive credit for the experience depending on the nature of the trip travel-study programs sponsored by Pierpont Community and Technical College if it is a (1) a program directed by faculty members from other West Virginia institutions; (2) a program sponsored by a US college or university or consortium with institutional approval; (3) an accredited US college or university abroad, or (4) a program sponsored by an organization other than a college or university, with Pierpont’s approval. Students will be required to obtain prior consent from their academic unit before registering for study abroad programs, and complete all training and instruction before being allowed to travel.
