

Fairmont State University Intramural Sport Agreement Form

This agreement states that the group leader understands that if their team forfeits a game during the regular season due to a no-show, he/she will be charged a \$10.00 forfeit fee. If a team forfeits a game during tournament play due to a no-show, he/she will be assessed a \$20.00 forfeit fine. The intent of this fee is to significantly reduce the number of forfeits that occur each season. These fines will be posted to the group leader's student account and will be billed to their parent/permanent address.

In addition, if a player receives a technical for unsportsmanlike conduct a \$5 Intramural Sport fine will be imposed and if a player is ejected from an event due to unacceptable conduct then a \$25 Unsportsmanlike Fine will be imposed. It is my responsibility to fully understand the guidelines and repercussions for sportsmanlike behavior as stated in Article VIII and relay these to all team members. It is also my responsibility to inform all team members of this fine. These fines will be posted to the students account and will be billed to their parent/permanent address.

As group leader it is my responsibility to fully understand all rules and regulations established by the Fairmont State University Intramural Department and communicate this information to my team. Failure to comply with these policies may result in team suspension from competition. The group leader is completely responsible for securing their teams schedule and all other information pertinent to the sport.

As group leader I also agree to attend all Intramural meetings or have a team member be present in the event of my absence.
