

Pierpont Community and Technical College, in alignment with the United States Department of Education Regulation 34 CFR 668.43 (a) (5) (v)), is required to disclose a list of states/jurisdictions where the institution's curriculum meets state educational requirements for professional licensure or certification.

Programs of study at Pierpont Community and Technical College that may result in a professional licensure or certification in this category include:

- Emergency Medical Services
- Health Information Management
- Licensed Practical Nursing
- Medical Laboratory Assistant
- Physical Therapist Assisting
- Respiratory Care
- Veterinary Technology

Disclosures indicate whether the program meets such requirements in the state where the student is located, does not meet requirements in that state, or that no determination has been made. The chart below includes a determination for each program by state. Meeting curriculum criteria for state educational requirement does not include transferring a professional licensure or certification between states or jurisdictions. Additional requirements to transfer a certification or licensure may apply.

For details regarding initial licensure within a state or transferring professional licensure or certification, visit the association websites listed below for additional information.

- American Health and Information Management Association
- Commission on Accreditation for Respiratory Care
- Federation of State Boards of Physical Therapy
- National Registry of Emergency Medical Technicians
- National Accreditation Agency for Clinical Laboratory Science

*Education that Works!*

*Pierpont Community & Technical College is an Equal Opportunity, Affirmative Action Institution*
