PIERPONT COMMUNITY & TECHNICAL COLLEGE
BOARD of GOVERNORS MEETING and WORKSHOP
October 17, 2017
1:00 PM

MINUTES

Notice of Meeting and Attendance

A meeting and workshop of the Pierpont Community & Technical College Board of Governors (BOG) was held on October 17, 2017, beginning at 1:00 PM in Room 216 A of the North Central West Virginia Advanced Technology Center, 500 Galliher Drive, Fairmont, WV.

Board members present were:

Chairman Warren ‘Chip’ VanAlsbury, Thomas Barlow, Memori Dobbs, Holly Kauffman, Linda King, Natalie Stone, and Eugene Weaver.

Board members absent were: Brian Bozarth, Rick Pruitte, Larry Puccio, Jr., Sharon Shaffer, and Randy Travis Crigger

President’s Cabinet members present were:

President Johnny M. Moore, Dale Bradley, Brian Floyd, Lyla Grandstaff, Steve Leach, Rob Linger, and Cyndee Sensibaugh

I. Call to Order

1. Opening Comments

Chairman VanAlsbury called the meeting to order in open session at 1:12 PM.

President Moore provided opening comments.

Dr. Moore shared that at the October 13th WV Community College Association Conference, Pierpont Community & Technical College (Pierpont) was proud to have BOG representatives in attendance (the only community college to do so).

Dr. Moore outlined the focus of the day’s workshop to better align the BOG Committees with the needs and mission of the institution.

2. Call for Public Comment

Chairman VanAlsbury announced last call for public sign up for comments to the Board.

II. Committee of the Whole

1. *Resolution for Approval of a 30 Day Public Comment Period for Amendment to Policy No. 16 – Tuition, Fees, Assessment, Payment, and Refund of Fees – Action Item*

Dale Bradley presented a resolution to approve a 30 day public comment period for Policy No. 16 – Tuition, Fees, Assessment, Payment, and Refund of Fees. The public comment period will be from October 18, 2017 to November 16, 2017.

Language in the existing policy needs updated to reflect changes in legislation enacted in HB 2815 during the 2017 Legislative Session identifying when WV Council for Community and Technical Education System must approve Board of Governors approved tuition and fees increases.

In addition to general clarifications proposed throughout, there are specific proposed changes providing additional definitions and clarification in section 7 “Refunds of Regular Fees”. The proposed changes also remove the 10 percent refund penalty during the “Add/Drop” period.

Complete details of the proposed changes were previous provided in the Board materials (electronically and in paper copy).

Thomas Barlow offered a motion to approve a 30 day public comment period for Policy No. 16 – Tuition, Fees, Assessment, Payment, and Refund of Fees, as presented. Holly Kauffman seconded the motion. There was no discussion on the motion. All agreed. Motion passed.

III. Primary Focus Items

1. *Academics - Informational*

Brian Floyd, Provost and VP Academic Affairs, gave an overview of the Provost’s role, communication to the BOG members from Academics, and the upcoming Higher Learning Commission (HLC) on-site visit of October 30 and 31. Mr. Floyd also reviewed annual program review cycles and the pilot program for the Pierpont Early College Academy.

2. *Enrollment/Retention - Informational*

Lyla Grandstaff, AVP of Enrollment and Student Services, provided an overview of focus areas for enrollment and retention. Work is underway for a comprehensive Student Success Center. The WV Tour is underway and Pierpont’s recruiters are on the road. Mrs. Grandstaff ran through the process that a student goes through to become a student at Pierpont. Mrs. Grandstaff is currently analyzing a scheduling

tool to provide an easier process for class scheduling.

A BOG member expressed the need for Pierpont to focus recruitment efforts within each of the 13-counties of Pierpont's service region. To reach out to the county VIPs - to know who Pierpont is and what we do.

3. *Financial - Informational*

Dale Bradley, VP Administration/CFO, reviewed focus areas of the financial structure and Pierpont's relationship and obligations with Fairmont State University for bonds and auxiliaries.

BOG members expressed the desired focus to continue to partner with FSU, to ensure that Pierpont's budget supports the Mission of the institution, and that funds are invested into student recruitment.

IV. Proposed Board of Governors Committees Restructuring

Chairman VanAlsbury provided an overview of the proposed realignment of the BOG Committees. A draft of the proposal was provided, previously, with the Board meeting materials. The new proposed structure will consist of the following Committees:

1. Executive Committee
2. Academic and Student Affairs
3. Finance/Audit and Administration
4. Enrollment Management and Communications (Marketing)

Naming of Appointments to the Board of Governors Committees

Chairman VanAlsbury recommended that the official naming of the appointments to the proposed BOG Committees be postponed until the on-site visit by the HLC has occurred. Chairman VanAlsbury asked for any comments or suggestions regarding the Committees be sent to him. The approval of the implementation of the new BOG Committees structure is proposed for the December 1, 2017 BOG Retreat Agenda.

V. Closing Comments

Chairman VanAlsbury asked the BOG members to bring three or four bullet points to discuss with the HLC reviewers, as the Board's perspective adds to the effectiveness in running the institution.

Chairman VanAlsbury stated that in the future the BOG meetings will work towards becoming more streamlined and purposeful.

President Moore thanked all Board members for their attendance and asked for any questions to be forwarded to him.

VII. Adjournment

There being no further business, Chairman VanAlsbury called the meeting adjourned at 3:15 PM.

Respectfully submitted by Cyndee K. Sensibaugh

CLASSIFIED STAFF COUNCIL REPORT

Classified Staff Council

BOG Report

Falcon Center Board Room

2:00 p.m.

November 14, 2017

Chairperson VanAlsborg, Board Of Governors Members and President Moore:

The Pierpont Classified Staff Council has met twice since the last Board of Governors meeting.

The Classified Staff Council would like thank President Moore and Board of Governors Member Thomas Barlow for attending our September meeting. The Staff Council appreciates your continued support and interest in our council.

Chairperson Amanda Hawkinberry reported that there has been \$286.00 raised through three payroll pledges for the Classified Staff Scholarship. Shannon Carnes volunteered to contact American Destinations to ask questions about setting up a bus-trip/tour as a way to raise money for the Scholarship fund. An idea was presented to use the company Fan Cloth as a fundraiser to increase our Classified Staff Scholarship fund. The company would put Pierpont's logo on several items: polo's, jackets, t-shirts, active wear, lunch bags, Yeti cups, book bags, and more. Our goal would be to sell 250 items to raise \$1,500. That money would fund two full-time scholarships and one part-time scholarship. We are currently waiting on approval to proceed with this fundraiser.

A Classified Staff Team Drive was created in Google to share information with staff. This will allow easy access to important information that staff can update and access at any time. Agendas, minutes, directory, and mentoring information will be housed in the Team Drive.

Anita Davis volunteered to work on updating the constitution but this project has put on hold.

President Moore supported Chairperson Amanda Hawkinberry's idea on having Classified Staff meetings at our regional locations. This will allow staff members to get tours our regional campuses and create unity within ALL of our Classified Staff.

Memori Dobbs reported that the September BOG meeting started off with recognition of departing BOG members and welcoming our new BOG members. Pierpont was awarded a grant for over \$1 million from The Appalachian Regional Commission to help increase the number of displaced coal miners. First Energy hired 20 students from the EUT program. The Regional Academics Committee is focusing on ways to build enrollment for non-traditional and high school students, tracking student data, class scheduling, and identifying new programs.

Anita Davis reported that the group met in Wheeling at WV Northern on September 18. During the meeting they discussed institutional policies. ACCE members discussed the pros and cons of adding non-classified staff to Classified Staff Councils to create “Staff Councils” at their October 16 meeting.

Members of Classified Staff were appointed to the following committees:

Legislative Affairs

- Anita Davis
- Beverly Jones

Election

- Anita Davis

Staff Development

- Amanda Hawkinberry
- Mary Jo Rutherford
- Leah Ellyson
- Bo Sellers

Website

- Leah Ellyson

Special Events

- Mary Jo Rutherford
- Beverly Jones

Mary Jo Rutherford reported that the Pierpont Leadership Institute is going very well. Members of PLI attended the WVCCA Conference on October 13 at New River Community and Technical College where Fonda Hawley was recognized as the Outstanding Contributor. Mary Jo went on to explain that the 8-week course highlights the leader in ‘you’. She recommends this program to all Classified Staff.

The Council would like to invite our Board Members to our next Classified Staff Council meeting on November 29, 2017 at 1:00 p.m. at the Robert C. Byrd National Aerospace Education Center.

FACULTY SENATE REPORT

MEMORANDUM

To: Pierpont Community and Technical College Board of Governors
From: Kari Coffindaffer, Faculty Senate President
Date: November 3, 2017
Subject: Faculty Senate Update

Pierpont Faculty Senate convened Tuesday, October 13, 2017 at noon.

- **Curriculum Proposal 17-18-03 Petroleum Technology was approved unanimously.**

This proposal will consolidate, re-title, and arrange courses to align the PTRM curriculum with the model schedules of other Energy programs at Pierpont and at other State community and technical colleges. This proposal deletes five courses, adds five courses (two of which are new), and retitles ten courses. These revisions will make more efficient use of existing faculty and classroom resources and meet updated requirements of the industry. These revisions may also maximize the transferability of Pierpont credits to other universities for our graduates, as well as allow students from other colleges to transfer credits to Pierpont.

The next meeting of Faculty Senate will be Friday, November 10th at 1:00pm.

November Board Report
Information Provided to HLC

Lewis County:

1. Upgraded fiber internet speed to 50mb over the summer
2. Upgraded Wi-Fi and working on adding additional AP's for added coverage.
3. There is one Pierpont owned computer lab at this location.
4. There are no distance learning rooms yet.

Caperton:

1. 100mb fiber internet.
2. Upgraded Wi-Fi
3. There are no Pierpont owned distance learning rooms yet.
- 4 Most space is shared with FSU, one independent Pierpont computer lab.

Byrd:

1. 50mb fiber internet.
2. Upgraded and extended Wi-Fi for better coverage.
3. Re-Imaged the computer lab for better performance.

MTEC:

1. 100mb fiber internet
2. Upgraded Wi-Fi
3. One Laptop Computer lab

ATC:

1. 100mb fiber internet
2. Four computer labs

Practical... Possible... Pierpont

Pierpont Community & Technical College is an Equal Opportunity, Affirmative Action Institution

3. Two distance learning classrooms
4. One student study lab
5. One testing lab

Braxton:

1. Wi-Fi Upgraded to improve speed and coverage on both floors
2. Network port added to main hallway to allow for the install of a new Xerox printer
3. Cables run to all 2nd floor classrooms to add connectivity, the ports themselves still need installed. (By the end of this week or the beginning of next week, the third floor classrooms will also have network connectivity.)
4. Distance learning room, instructor machine repaired.
5. Meeting with Grandview also took place to work on improving the usability of the distance learning gear.
6. Inventory of current gear at Braxton taken by the helpdesk

These items are all great steps forward to improve utilization of our Braxton location.

Also, earlier in the summer an order to increase the bandwidth to the Braxton location was made. This takes the bandwidth from 10MB/sec to 50MB/sec. This will improve systems performance and improve the student experience.

Institutional technology projects (current):

Pierpont has a number of current projects that are currently in progress.

A new website is under development that will simplify the user experience for current and prospective students. This new site will be more marketing focused and will highlight metrics and outcomes directly on each programs page. The navigation is being overhauled, content is being distilled, and data is being organized for this new site.

A new phone system role out is in progress that will increase brand identity for Pierpont. The Dialpad phone system will also allow Faculty to only hand out their office number to students. With this new system, students will be able to call or text Faculty at the office number. This will allow students to use the form of communications they are most comfortable with while allowing Faculty to maintain a proper level of privacy. In addition to these benefits, Pierpont will have full control over the phone system configuration for faster service times and flexible phone queue adjustments during peak traffic times.

A dedicated IT team member is being trained to maintain Degreeworks.

Institutional Research has been moved under the IT umbrella to assist the institution with consolidating data, defining data definitions, and improving Institutional data consistency.

Institutional technology projects (future):

Plans are being developed to create an annual Technology Survey for all students, faculty, and staff. This survey will help guide the development of future Technology Plans that will also align with Pierpont's strategic plan. Bandwidth will continue to be monitored and grow with the need of each location. The infrastructure in place on the back bone of the network has the capability to expand to any level needed within the current lifecycle of existing equipment.

Banner separation activities are expected in 2018. IT will assist in acquiring training for Pierpont staff. Staffing in IT may need adjusted as well depending on maintenance agreements with FSU IT. Banner separation is an ambitious project, but it is the most important project for the institution. We have the infrastructure in place to handle the separation technologically, so training and personnel will be the focus.

COMBINED AUGUST 31, 2017 FINANCIAL REPORT

Board of Governors
Financial Report FY 2018
Pierpont Community & Technical College
as of August 31, 2017

SUMMARY:

The projected effect on net assets for FY 2018 as of August 31, 2017 is a decrease of (\$23,501)

UNRESTRICTED OPERATING FUNDS:

The Budget Balance as of August 31, 2017 of (\$23,501) represents a budget balance increase of \$8,800 from the July 31, 2017 Finance Report. The overall operating revenues budget in August decreased by (\$45,187). There was a decrease of (\$33,729) in the budget for “Tuition and Fees” while the “Student Activity Support Revenue” revenue budget decreased by (\$28,459). Offsetting these revenue budget decreases was a \$17,000 increase to the “Other Operating Revenues” revenue budget.

The overall operating expense budgets decreased by (\$53,987). This reduction in operating budget costs were the result of a \$26,608 increase in the “Salaries” budget to add labor budget for Federal Work Study. There was a reduction in the “Benefits” budget of (\$33,661) due to PEIA updates. The “Supplies and Other Services” budget decreased by (\$52,628). The “Equipment Expense” budget increased by \$7,440. The “Assessment for Support Services” budget decreased by (\$1,142) while the “Assessment for Operating Costs” decreased by (\$603).

As of this report date, the institution has realized approximately 44% of projected tuition and fees revenue and approximately 40% of overall revenues while incurring approximately 12% of operating expenses. The Year-To-Date Actual Budget Balance is \$3,173,811.

RESTRICTED FUNDS:

Changes to Restricted Funds during August 2017 consisted of recognition of a \$257,287 Carl D. Perkins Grant for FY 18, and a \$3,000 STreAM Days STEM Initiative Grant. There was a reduction of (\$15,841) to remove budgets carried forward in the Restricted Audit Adjustment Fund. The result was a \$14,635 improvement to improve the Budget Balance to \$7,106.

**Pierpont Community and Technical College
Board of Governors
Meeting of November 14, 2017**

ITEM: Acceptance of the Independent Auditor's Report by Suttle & Stalnaker, PLLC of Pierpont Community and Technical College's Finance Statements as of and for the year ended June 30, 2017

COMMITTEE: Committee of the Whole

RECOMMENDED RESOLUTION: Be it resolved that the Board of Governors accept the Financial Statements and the Independent Auditor's Report for FY 2017.

STAFF MEMBER: Dale Bradley

BACKGROUND: Suttle & Stalnaker PLLC presented the audit report and provided a copy of the FY 2017 Audited Financial Statements to the Board of Governors.

The report indicated that statements prepared by staff presented fairly, in all material respects, the financial position of the business-type activities of Pierpont, as of June 30, 2017 and 2016, and the changes in financial position and cash flows thereof for the years then ended in accordance with generally accepted accounting principles.

The following are comments about the College's FY 2017 Financial Statements from Management:

- Pierpont issues its Audited FY 2017 Financial Statements October 6, 2017 ahead of the October 15, 2017 completion date established by the HEPC. The combined WV Higher Education Funds Audit was completed and sent to the WV Department of Administration before the October 31, 2017 deadline.

- The financial statements include Management Discussion and Analysis, the Statement of Net Position, the Statement of Revenues, Expenses, and Changes in Net Position (SRECNP), and the Statement of Cash Flows, and the footnotes. Staff prepare all of these items as preparation for the annual audit.
- The 2016 Audit Report continues to include details of the Separation of Assets and Liabilities Agreement between Pierpont Community & Technical College and Fairmont State University sharing with interested bond holders of both institutions commitment toward bond debt, operating budgets of bond related auxiliaries, and repair and renovation of all Shared Education and General Facilities. This information is found in financial statement note 16.
- During fiscal year 2017 Pierpont experienced decreases in revenues due to enrollment declines. Full-time Equivalent (FTE) enrollment decreased from 1,512 for Fall 2015 to 1,375 for Fall 2016. Headcount enrollment decreased from 2,181 for Fall 2015 to 1,937 for Fall 2016.
- Pierpont began operation of the North Central Advanced Technology Center (ATC) in August 2016. Pierpont recognized payments made and expenses incurred on behalf of Pierpont for construction and capitalized equipment at the ATC in the amount of \$13,493,191 net of accumulated depreciation.
- The other postemployment benefits (OPEB) liability has accrued since fiscal year 2008 for a total unfunded liability of \$3,674,239 at June 30, 2016. Additional OPEB liability for fiscal year 2017 was recorded for \$82,425 for a total unfunded liability of \$3,756,664 as of June 30, 2016. The State of West Virginia has instituted several measures to reduce the OPEB liability and the projected elimination of the liability by fiscal year 2037. However the implementation of new GASB rules in the upcoming year regarding OPEB for will likely increase the liability.

- The 2017 fiscal year net position including OPEB liability increased by \$14,590,748 or 54.18%. This increase can be attributed to the following factors including; an increase in the net investment in Capital Assets of \$14,126,764; a increase in funds restricted for scholarship of \$30,648; a decrease in funds restricted for capital projects of \$383,652; unrestricted fund managers funds increased by \$265,572, and unrestricted primary operating funds (president controlled funds) increased by \$548,784 after the increase in OPEB liability of \$82,425.
- Pierpont's Composite Financial Index (CFI) improved from 0.61 with OPEB liability in fiscal year 2016 to 1.83 with OPEB liability in fiscal year 2017. The CFI without OPEB liability improved from 1.87 in fiscal year 2016 to 3.14 in fiscal year 2017. The Higher Learning Commission expects a CFI for public higher education institutions that is above 1.1.

A comment was received from one BOG member addressing two items in the policy.

1. In Section 3.1: In the last bullet under example; Student A grabs Student B... the word “garbs” should be written as “grabs”.
2. In Section 3.5: Before the examples – probably should make a statement like “Some examples of Intimate Partner Violence include: “

PIERPONT COMMUNITY & TECHNICAL COLLEGE
Board of Governors Policies and Procedures
POLICY # 9
TITLE: SEXUAL HARASSMENT - draft

Effective Date: July 1, 2002

Amended:

Repealed:

SECTION 1. GENERAL

1.1 Scope

This rule defines sexual harassment and sex and gender discrimination and provides guidelines for filing complaints regarding sexual harassment and sex and gender discrimination.

1.2 Authority

This policy complies with federal, state and local laws and regulations. Specifically, this policy upholds: West Virginia Code § 18B-1-6; Title IX of the Education Amendments of 1972, including accompanying regulations and guidance provided by the U.S. Department of Education' Office for Civil Rights; Title VII of the Civil Rights Act of 1964, including accompanying regulations and guidance provided by the Equal Employment Opportunity Commission (EEOC); Applicable federal court decisions. This policy replaces policies 09, "Sexual Harassment," and 42, "Consensual Romantic or Sexual Relationships."

1.3 Investigation and Resolution

All alleged violations of this policy will be promptly, thoroughly, and impartially addressed using Pierpont Community & Technical College Title IX Investigative and Resolution Procedures.

1.4 Effective Date: Upon passage

SECTION 2. POLICY

- 2.1 It is the policy of the Pierpont Community & Technical College Board of Governors to maintain a work and educational environment free from all forms of sexual harassment and sex or gender discrimination of any employee, applicant for employment, student, guest or visitor. Sexual harassment is expressly prohibited. It is the responsibility of Pierpont Community & Technical College to strive to maintain an environment free of such conduct and to take prompt, thorough and impartial measures to stop the harassment, remedy its effects and prevent its recurrence once the institution receives notice of sexual harassment or sex or gender based discrimination.

SECTION 3. DEFINITION

3.1 Sexual Harassment

Sexual Harassment is:

- unwelcome sexual, sex-based and/or gender/gender identity-based verbal, written, online and/or physical conduct.

Anyone experiencing sexual harassment in any College program is encouraged to report it immediately to the Title IX Coordinator, Title IX Investigator or a deputy.

Remedies, education and/or training will be provided in response.

Sexual harassment may be disciplined when it takes the form of *quid pro quo* harassment, retaliatory harassment and/or creates a hostile environment. A hostile environment is created when sexual harassment is:

- sufficiently severe, or
- persistent or pervasive, and
- objectively offensive that it:
 - unreasonably interferes with, denies or limits someone's ability to participate in or benefit from the College's educational [and/or employment], social and/or residential program.

Quid Pro Quo Harassment is:

- Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature by a person having power or authority over another constitutes sexual harassment when
 - Submission to such sexual conduct is made either explicitly or implicitly a term or condition of rating or evaluating an individual's educational [or employment] progress, development, or performance.
 - This includes when submission to such conduct would be a condition for access to receiving the benefits of any educational [or employment] program.

Examples include: an attempt to coerce an unwilling person into a sexual relationship; to repeatedly subject a person to egregious, unwelcome sexual attention; to punish a refusal to comply with a sexual based request; to condition a benefit on submitting to sexual advances; sexual violence; intimate partner violence, stalking; gender-based bullying.

Romantic or sexual relationships between a faculty member and current student, or between a supervisor and employee or between two people where one has authority or power over the other are by their nature discriminatory and are prohibited. Exceptions are recognized for employees or students in established marriages, partnerships or relationships.

Some examples of possible Sexual Harassment include:

- A professor insists that a student have sex with him/her in exchange for a good grade. This is harassment regardless of whether the student accedes to the request.
- A student repeatedly sends sexually oriented jokes around on an email list s/he created, even when asked to stop, causing one recipient to avoid the sender on campus and in the residence hall in which they both live.
- Explicit sexual pictures are displayed in an employee's office or on the exterior of a residence hall door
- Two supervisors frequently 'rate' several employees' bodies and sex appeal, commenting suggestively about their clothing and appearance.
- A professor engages students in her/his class in discussions about their past sexual experiences, yet the conversation is not in any way germane to the subject matter of the class. She/He probes for explicit details, and demands that students answer her/him, though they are clearly uncomfortable and hesitant.
- An ex-girlfriend widely spreads false stories about her sex life with her former boyfriend to the clear discomfort of the boyfriend, turning him into a social pariah on campus
- Student A grabs Student B by the hair then grabs the Student B's breast and then places their mouth on it. While this is sexual harassment, it is also sexual violence.

Non-Consensual Sexual Contact

Non-Consensual Sexual Contact is:

- any intentional sexual touching,
- however slight,
- with any object,
- by a person upon another person,
- that is without consent and/or by force¹.

Sexual Contact includes:

- Intentional contact with the breasts, buttocks, groin, or genitals, or touching another with any of these body parts, or making another touch you or themselves with or on any of these body parts; or
- Any other intentional bodily contact in a sexual manner.

3.2 Non-Consensual Sexual Intercourse

Non-Consensual Sexual Intercourse is:

- any sexual intercourse

¹ The use of force is not "worse" than the subjective experience of violation of someone who has sex without consent. However, the use of physical force constitutes a stand-alone non-sexual offense as well, as it is our expectation that those who use physical force (restrict, battery, etc.) would face not just the sexual misconduct charge, but charges under the code for the additional assaultive behavior.

- however slight,

- with any object,
- by a person upon another person,
- that is without consent and/or by force².

Intercourse includes:

- Vaginal or anal penetration by a penis, object, tongue or finger, and oral copulation (mouth to genital contact), no matter how slight the penetration or contact.

3.3 Sexual Exploitation

Sexual exploitation occurs when one person takes non-consensual or abusive sexual advantage of another for his/her own advantage or benefit, or to benefit or advantage anyone other than the one being exploited, and that behavior does not otherwise constitute one of other sexual misconduct offenses. Examples of sexual exploitation include, but are not limited to:

- Invasion of sexual privacy;
- Prostituting another person;
- Non-consensual digital, video or audio recording of nudity or sexual activity;
- Unauthorized sharing or distribution of digital, video or audio recording of nudity or sexual activity;
- Engaging in voyeurism;
- Going beyond the boundaries of consent (such as letting your friend hide in the closet to watch you having consensual sex);
- Knowingly exposing someone to or transmitting an STI, STD or HIV to another person;
- Intentionally or recklessly exposing one's genitals in non-consensual circumstances; inducing another to expose their genitals;
- Sexually-based stalking and/or bullying may also be forms of sexual exploitation

3.4 Additional Applicable Definitions:

- Consent:
 - Consent is
 - clear, and
 - knowing, and
 - voluntary, affirmative and conscious,
 - words or actions,
 - that give permission for specific sexual activity.
 - Consent is active, not passive.
 - Silence, in and of itself, cannot be interpreted as consent.

²Id.

- Consent can be given by words or actions, as long as those words or actions

create mutually understandable permission regarding willingness to engage in (and the conditions of) sexual activity.

- Consent to any one form of sexual activity cannot automatically imply consent to any other forms of sexual activity.
- Previous relationships or prior consent cannot imply consent to future sexual acts.
- Consent can be withdrawn once given, as long as that withdrawal is clearly communicated.
- In order to give consent, one must be of legal age.
- Sexual activity with someone you know to be or should know to be incapacitated constitutes a violation of this policy.
 - Incapacitation can occur mentally or physically, from developmental disability, by alcohol or other drug use, or blackout.
 - The question of what the responding party should have known is objectively based on what a reasonable person in the place of the responding party, sober and exercising good judgment, would have known about the condition of the reporting party.
 - Incapacitation is a state where someone cannot make rational, reasonable decisions because they lack the capacity to give knowing consent (e.g., to understand the “who, what, when, where, why or how” of their sexual interaction).
 - This policy also covers a person whose incapacity results from mental disability, sleep, unconsciousness, involuntary physical restraint, or from the taking of drugs. [Possession, use and/or distribution of any of these substances, including Rohypnol, Ketamine, GHB, Burundanga, etc., is prohibited, and administering one of these drugs to another student is a violation of this policy.]

- Force:

- Force is the use of physical violence and/or imposing on someone physically to gain sexual access. Force also includes threats, intimidation (implied threats) and coercion that overcomes free will or resistance or that produces consent (“Have sex with me or I’ll hit you.” “Okay, don’t hit me; I’ll do what you want.”).
- Coercion is unreasonable pressure for sexual activity. When someone makes clear to you that they do not want sex, that they want to stop, or that they do not want to go past a certain point of sexual interaction, continued pressure beyond that point can be coercive.
- NOTE: There is no requirement for a party to resist the sexual advance or request, but resistance is a clear demonstration of non-consent. The presence of force is not demonstrated by the absence of resistance. Sexual activity that is forced is by definition non-consensual, but non-consensual sexual activity is not by definition forced.
- Use of alcohol or other drugs will never function to excuse any behavior that violates this policy.

- This policy is applicable regardless of the sexual orientation and/or gender identity of individuals engaging in sexual activity.

3.5 Related Misconduct Offenses (Will Fall Under this Policy When Sex or Gender-Based)

- Threatening or causing physical harm, extreme verbal abuse, or other conduct which threatens or endangers the health or safety of any person;
- Discrimination, defined as actions that deprive other members of the community of educational or employment access, benefits or opportunities on the basis of sex or gender;
- Intimidation, defined as implied threats or acts that cause an unreasonable fear of harm in another;
- Hazing, defined as acts likely to cause physical or psychological harm or social ostracism to any person within the College community, when related to the admission, initiation, pledging, joining, or any other group-affiliation activity (as defined further in the Hazing Policy);
- Bullying, defined as
 - Repeated and/or severe
 - Aggressive behavior
 - Likely to intimidate or intentionally hurt, control or diminish another person, physically or mentally
 - That is not speech or conduct otherwise protected by the 1st Amendment.
- Intimate Partner Violence, defined as violence or abuse between those in an intimate relationship to each other. Some examples of Intimate Partner Violence include:
 - A boyfriend shoves his girlfriend into a wall upon seeing her talking to a male friend. This physical assault based in jealousy is a violation of the Intimate Partner Violence policy.
 - An ex-girlfriend shames her female partner, threatening to out her as a lesbian if she doesn't give the ex another chance. Psychological abuse is a form of Intimate Partner Violence.
 - A graduate student refuses to wear a condom and forces his girlfriend to take hormonal birth control though it makes her ill, in order to prevent pregnancy.
 - Married employees are witnessed in the parking garage, with one partner slapping and scratching the other in the midst of an argument.
- Stalking
 - Repetitive and menacing,
 - Pursuit, following, harassing, and/or interfering with the peace and/or safety of another.
 - Any other College policies may fall within this section when a violation is motivated by the actual or perceived membership of the reporting party's sex or gender.

3.7 Retaliation

Retaliation is defined as any adverse action taken against a person participating in a protected activity because of their participation in that protected activity. Retaliation against an individual for an allegation, for supporting a reporting party or for assisting in providing information relevant to an allegation is a serious violation of College policy.

SECTION 4. SANCTIONS

The following sanctions may be imposed upon any member of the community found to have violated the Sex/Gender Harassment, Discrimination and Misconduct Policy. Factors considered in sanctioning are defined in [as appropriate] the Student Handbook, the Faculty Handbook, and the Staff Handbook.

The following are the typical sanctions that may be imposed upon students or organizations singly or in combination:

4.1 Student Sanctions (Listed Below and Defined in the Student Handbook)

- Warning
- Probation
- Suspension
- Expulsion
- Withholding Diploma
- Revocation of Degree
- Transcript Notation
- Organizational Sanctions
- Other Actions

4.2 Employee Sanctions (Listed Below and Defined in the Faculty and Employee Handbooks)

- Warning – Written or Verbal
- Performance Improvement Plan
- Required Counseling
- Required Training or Education
- Demotion
- Loss of/Ineligibility for Raise or Pay Increase
- Suspension with Pay
- Suspension without Pay
- Revocation of Tenure
- Termination

4.3 Sanctioning for Sexual Misconduct

- Any person found responsible for violating the Non-Consensual Sexual Contact policy (where no intercourse has occurred) will likely receive a sanction ranging from probation to expulsion, depending on the severity of the incident, and taking into account any previous disciplinary violations.*
- Any person found responsible for violating the Non-Consensual Sexual Intercourse policy will likely face a recommended sanction of suspension or expulsion (student) or suspension or termination (employee).*
- Any person found responsible for violating the Sexual Exploitation or Sexual Harassment policies will likely receive a recommended sanction ranging from warning to expulsion or termination, depending on the severity of the incident, and taking into account any previous disciplinary violations.*

*The decision-making body reserves the right to broaden or lessen any range of recommended sanctions in the case of serious mitigating circumstances or egregiously offensive behavior. Neither the initial hearing officers nor any appeals body or officer will deviate from the range of recommended sanctions unless compelling justification exists to do so.

SECTION 5. ADDITIONAL POLICY PROVISIONS

5.1 Attempted Violations

In most circumstances, the College will treat attempts to commit any of the violations listed in this policy as if those attempts had been completed.

5.2 False Reports

The College will not tolerate intentional false reporting of incidents. It is a violation of the *Student Code of Conduct* and the Faculty and Staff handbooks to make an intentionally false report of any policy violation, and it may also violate state criminal statutes and civil defamation laws.

5.3 Amnesty for Victims and Witnesses

The College community encourages the reporting of misconduct and crimes by victims and witnesses. Sometimes, victims or witnesses are hesitant to report to College officials or participate in resolution processes because they fear that they themselves may be accused of policy violations, such as underage drinking at the time of the incident. It is in the best interests of this community that as many victims as possible choose to report to College officials, and that witnesses come forward to share what they know. To encourage reporting, the College pursues a policy of offering victims of misconduct and witnesses amnesty from minor policy

violations related to the incident.

Sometimes, students are hesitant to offer assistance to others for fear that they may get themselves in trouble (for example, a student who has been drinking underage might hesitate to help take a sexual misconduct victim to the Campus Police). The College pursues a policy of amnesty for students who offer help to others in need. While policy violations cannot be overlooked, the College will provide educational options, rather than punishment, to those who offer their assistance to others in need.

5.4 Parental Notification

The College reserves the right to notify parents/guardians of dependent students regarding any health or safety risk, change in student status or conduct situation, particularly alcohol and other drug violations. The College may also notify parents/guardians of non-dependent students who are under age 21 of alcohol and/or drug policy violations. Where a student is non-dependent, the College will contact parents/guardians to inform them of situations in which there is a significant and articulable health and/or safety risk. The College also reserves the right to designate which College officials have a need to know about individual conduct reports pursuant to the Family Educational Rights and Privacy Act.

SECTION 6. REPORTING AND FILING COMPLAINTS

6.1 Reporting Requirements

All College employees (faculty, staff, and administrators) are expected to immediately report actual or suspected discrimination or harassment to appropriate officials, though there are some limited exceptions. On campus, some resources may maintain confidentiality – meaning they are not required to report actual or suspected discrimination or harassment to appropriate College officials - thereby offering options and advice without any obligation to inform an outside agency or individual unless a victim has requested information to be shared. Other resources exist for a victim to report crimes and policy violations and these resources will take action when an incident is reported to them. The following describes the two reporting options at the College:

6.2 Confidential Reporting

If a reporting party would like the details of an incident to be kept confidential, the reporting party may speak with:

- On-campus licensed professional psychologists, counselors and staff
- On-campus health service providers and staff
- On-campus Victim Advocate
- Off-campus:

- Licensed professional counselors
- Local rape crisis counselors
- Domestic violence resources,
- Local or state assistance agencies,
- Clergy/Chaplains

All of the above employees will maintain confidentiality except in extreme cases of immediate threat or danger, or abuse of a minor. Campus counselors are available to help free of charge and can be seen on an emergency basis during normal business hours. These employees will submit timely anonymous, aggregate statistical information for Clery Act purposes unless they believe it would be harmful to a specific client or patient.

6.3 Mandatory Reporting

All College employees have a duty to report sexual harassment or discrimination of which they become aware, unless they fall under the “Confidential Reporting” section. Employees must share all details of the reports they receive. Generally, climate surveys, classroom writing assignments, human subjects research, or events such as Take Back the Night marches or speak-outs do not provide notice that must be reported to the Coordinator by employees. Remedial actions may result without formal College action.

If a victim does not wish for their name to be shared, does not wish for an investigation to take place, or does not want a formal resolution to be pursued, the victim may make such a request to the Title IX Coordinator, Title IX Investigator or Deputy Coordinators, who will evaluate that request in light of the duty to ensure the safety of the campus and comply with federal law. In cases indicating pattern, predation, threat, weapons and/or violence, the College will likely be unable to honor a request for confidentiality. In cases where the victim requests confidentiality and the circumstances allow the College to honor that request, the College will offer interim supports and remedies to the victim and the community, but will not otherwise pursue formal action. A reporting party has the right, and can expect, to have reports taken seriously by the College when formally reported, and to have those incidents investigated and properly resolved through these procedures.

Formal reporting still affords privacy to the reporter, and only a small group of officials who need to know will be told. Information will also be shared as necessary with investigators, witnesses and the responding party. The circle of people with this knowledge will be kept as small as possible to preserve a reporting party’s rights and privacy

Reports or complaints may be filed with, as appropriate, the Title IX Coordinator or Title IX Investigator. Reports can be made via email, phone, in writing or in person. Reports may also be made online at <https://www.pierpont.edu/faculty-staff/shared-administration/human-resources>.

6.4 Title IX Coordinator

The Title IX Coordinator oversees the College's compliance with Title IX, including the resolution process described in the *Title IX Investigation and Resolution Process*.

Inquiries about and reports regarding sexual harassment issues and/or these procedures may be made internally to:

PIERPONT COMMUNITY & TECHNICAL COLLEGE
Board of Governors Policies and Procedures
POLICY # 52
TITLE: Degree Definitions

Effective Date: September 27, 2006

Amended:

Repealed:

SECTION 1: GENERAL

- 1.1 This policy defines the degrees that may be awarded by Pierpont Community & Technical College (Pierpont) and is intended to be used in design of all degrees programs at the College.
- 1.2 Title 135 Procedural Rule, West Virginia Council for Community and Technical College Education (WVCTCE); Series 11 Degree Designation, General Education Requirements, New Program Approval, and Discontinuance of Existing Programs:
 - 1.2.1 Certificate and Associate Degree programs are central to the mission of community and technical colleges. They are a means through which the institution develops and maintains integrity in its educational programs. Appropriately defined, these degrees become an integrating force for the institution, set academic standards and goals for achievement of students, and establish the relationship between the college and other institutions at community colleges and baccalaureate college levels.
 - 1.2.2 The Associate Degree is recognized by Baccalaureate Degree granting institutions and by employers as a critical indicator that a student has demonstrated proficiencies at levels deemed appropriate to enter upper-division college programs or to enter a field of work. Certificate of Applied Science and Associate degree programs must consist of a coherent and sequenced set of courses, including an evaluation procedure that assesses the outcomes of the learning process.
 - 1.2.3 All degree programs must include a complement of general education requirements appropriate to the level of degree.

SECTION 2: DEFINITIONS

- 2.1 Degree Program: A degree program is an area of study approved by Pierpont, the WVCTCE, the Higher Learning Commission (HLC), and the U. S. Department of Education (USDOE) when applicable, and listed on the official WVCTCE inventory of degree programs. That degree, which is an award signifying a rank or level of educational attainment and which is conferred on students who have successfully completed a degree program, is represented by the official degree designation, e.e. A.A. – Associate in Arts,

A.S. – Associate in Science, A.A.S – Associate in Applied Science, or C.A.S. – Certificate in Applied Science. The degree program completed would be listed on the student's diploma.

2.1.1 For students to earn the degrees, the program must consist of a coherent and sequenced set of courses, including an evaluation procedure that assesses the outcomes of the learning process. The program must state the proficiency outcomes required for the students to transfer to baccalaureate institutions and/or achieve career goals.

2.1.2 Certificate and associate degree programs must include a full complement of general education requirements appropriate to the level of the degree, including essential communication and computation skills.

2.2 Associate Degree: A program of study equivalent to two years of full-time study consisting of major and liberal studies (general education) components.

2.2.1 The Associate in Arts (AA) Degree: The purpose and intent of this degree are to prepare the student to transfer to an upper division baccalaureate degree program. It gives emphasis to those majoring in the arts, humanities, social sciences, and similar areas. While a student may enter directly into employment upon attainment of this degree, the goal of programs that award this degree is successful transfer with junior status. The degree designator consists of 60 credit hours, unless otherwise required by accrediting agencies.

2.2.1a General Education in this degree designation includes an emphasis in arts, humanities, social sciences, and similar areas. A substantial component of this degree, at least 24 semester hours of coursework, shall be in general education.

2.2.2 The Associate in Science (AS) Degree: The purpose and intent of this degree are to prepare the student to transfer to an upper division baccalaureate degree program. It gives emphasis to those majoring in the areas with substantial undergraduate requirements in mathematics, natural sciences, and similar areas. While a student may enter directly into employment upon attainment of this degree, the goals of programs that award this degree is successful transfer with junior status. The degree designation consists of 60 credit hours unless otherwise required by accrediting agencies.

2.2.2a General Education in this degree designation includes an emphasis in agriculture, engineering, and technology, and the sciences with a substantial undergraduate requirement in mathematics and the natural sciences. A large component of this degree, at least 24 semester hours of coursework, shall be in general education.

2.2.3 The Associate in Fine Arts (AFA) Degree: The dual purpose and intent of this degree is to prepare students to enter directly into employment in a specific art-related career while also preparing students for transfer to an upper division baccalaureate program. It gives emphasis to those majoring in areas with substantial emphasis in the

arts. While a student may enter directly into employment upon attainment of this degree, the goal of programs that award this degree is successful transfer with junior status. The degree designation consists of 60 credit hours unless otherwise required by accrediting agencies.

2.2.3a General Education in this degree designation includes an emphasis in art-related areas. A large component of this degree, at least 24 semester hours of coursework, shall be in general education.

2.2.4 The Associate in Applied Science (AAS) Degree: The dual purpose and intent of this degree is to prepare students to enter directly into employment in a specific career. It gives emphasis to those majoring in occupational programs designed with and through employer advisory committees. It is the goal of this degree to achieve acceptance as an employment credential. While a student may be able to achieve successful transfer of some or all of the courses within this degree, the goal of programs that award this degree is successful employment. The degree designation consists of 60 credit hours unless otherwise required by accrediting agencies.

2.2.4a General Education in this degree designation includes a basic foundation for life-long learning and future career changes, and at least 15 semester hours of coursework for this degree shall be in general education, unless otherwise required by the accrediting agency. General education shall include communication and computation skills and other general education coursework related to the specific occupational career area.

2.3 Certificate of Applied Science (CAS) Degree: A program of study equivalent to at least one but less than two years of full time study consisting of major and general education components.

2.3.1 Certificate of Applied Science (CAS) Degree: A certificate program in applied science is a coherent, specializes curriculum designed for students in search of a specific body of knowledge for personal/career development or professional continuing education. The purpose and intent of the certificate degree program are to prepare the student to enter directly into employment in a specific career and meet the documented workforce needs of local employers. Generally, certificate programs provide the foundation for the Associate in Applied Science (AAS) Degree for occupational programs. Like the AAS degree, the goal of certificates is to achieve acceptance as an employment credential. The degree designation consists of 30 credit hours, unless otherwise required by accrediting agencies.

2.3.1a General Education in this degree designation includes at least 6 semester hours of coursework, including courses in essential communication and computation skills.

2.4 Program of Study: A program of study is a defined curriculum within an approved degree program. An institution should include the program of study on the student

transcript. The program of study is identified by a distinct Classification of Instructional Programs (CIP) Code.

- 2.5 Concentration: Concentrations provide a thematic focus of study that enables the student to spend time and effort to acquire depth in a particular discipline, in addition to meeting the normal breadth of requirements for the associate's degree. A student might choose a concentration to begin early preparation for a specific academic area that they might wish to later pursue in a bachelor degree program. Typically, approximately 12-18 credit hours would be expected for a concentration within an associate degree program. Concentrations should appear on the student transcript.
- 2.6 Advanced Skill Certificate: A series of courses or competencies that prepare individuals for a specific skill and carry value of 12 or more but less than 30 credit hours, or non-credit contact hours equivalent to 12 or more but less than 30 credit hours. Certificates may be contained within a degree program, or be a standalone certificate that is not financial aid eligible.
- 2.7 Skills Set Certificate: A series of courses or competencies that prepare individuals for a specific skill and carry value fewer than 12 credit hours or non-credit contact hours equivalent to fewer than 12 credit hours. Certificates may be contained within a degree program, or be a standalone certificate that is not financial aid eligible.

SECTION 3: BOARD POLICY

- 3.1 Requirements for Associate Degrees offered by Pierpont are limited to a maximum of 60 semester hours of credit and must meet requirements outlined in West Virginia Council for Community and Technical College Education Series 11. The degree program of study shall include major and general education components. Exceptions to this policy, for programs established prior to 2011, must be approved by the President, as appropriate, and approved by the Board of Governors. Exceptions will be approved by the WVCTCE.
- 3.2 Requirements for CAS Degrees offered by Pierpont are limited to a maximum of 30 credit hours and must meet requirements outlined in West Virginia Council for Community and Technical College Education Series 11. The degree program of study shall include major and general education components. All AA; AS degrees must follow Series 11, Intent to Plan guidelines. Board approved programs must be pre-approved by the Higher Learning Commission (HLC) and the U.S. Department of Education.
